## Dear Parents

We are coming to the end of a very eventful and inspiring year at TCHP.

As always, the children continue to develop and grow and inspire us with their genuine love of learning and wonderful personal break throughs.

On the sidelines, we are honoured to be part of witnessing the germination of their seeds of development. Enjoy the community feeling of 'Sports Day' and the family inspired feast to follow.

Wishing you a very happy summer season.

To our graduates best wishes on your journey onwards. To those moving on, it has been a joy to be part of your and your children's lives.

We wish you the very best.

**Micaela Kuh, Principal  
and the staff at TCHP**

## WE ARE THE WORLD

It is fascinating to reflect on the fact that 15,763 Montessori schools have been identified worldwide (data collected January 2023).

This number reflects the fact that Montessori is growing every day with the work of dedicated Montessorians worldwide.

We are all part of this global community. From a city wide, nationwide and global perspective we are all part of the Montessori family.

The kindness, the confidence, the leadership, the initiative, the curiosity and the love of learning that the children of TCHP develop within our walls, garden and 'Going Out' activities are all reminders of the joy with which, with our guidance, they celebrate:

*"We are the World,  
We are the children..."*
